

COMRADE OF LABOUR

Wendy Ong Hwee Theng

President

Inland Revenue Authority of Singapore Staff Union

Nominated by the Inland Revenue Authority of Singapore Staff Union

With a keen interest to contribute to the Labour Movement, Wendy Ong Hwee Theng first joined the Inland Revenue Authority of Singapore Staff Union (IRASSU) executive council in 2016 as the assistant general secretary. She also went on to represent IRASSU as an alternate member in the NTUC Membership Committee.

In 2020, Sister Wendy was re-elected into the executive council and became the president of IRASSU. She represented IRASSU in various NTUC groups such as the Public Service Cluster.

She has actively participated in the various programmes, workshops, Forward SG conversations and dialogue sessions – contributing many valuable ideas. With her dedication and conviction, Sister Wendy has been able to engage and make a difference for members.

Under her leadership, IRASSU concluded the IRAS Staff Collective Agreement 2020 negotiations, allowing assistant managers in Grade 9 and below to take on IRASSU leadership roles as ordinary members with limited representation.

Sister Wendy worked alongside her team to successfully sign the memorandum of understanding on the setting-up of a Company Training Committee (CTC), formalising the training and coaching of staff.

A firm believer in training and reskilling, Sister Wendy leads the executive council in coming up with webinars, workshops and courses to encourage continuous learning among members. She also personally engages members to find out their training needs in their upskilling journey.
