

MODEL WORKER

Alan How Choon Thim

IT Manager
Toppan Edge

Nominated by Tech Talent Assembly.

Alan How Choon Thim's journey of continuous upskilling stands as a testament to his unwavering commitment to professional development. Having taken multiple courses, Alan takes pride in his achievements, particularly in cybersecurity, cloud computing, and IT auditing. This has significantly enhanced his employability in the fiercely competitive technology sector.

Currently nearing completion of his SkillsFuture Career Transition Programmes (SCTP) IT Auditor certification, Alan's perseverance underscores his proactive approach to self-improvement, showcasing a commitment to advancing his career and ensuring long-term professional competitiveness. The acquisition of niche certifications, like the SCTP IT Auditor certification, expands his skills set and enhances his career prospects, making him a highly marketable employee.

Brother Alan's proactive pursuit of knowledge also fuels his passion for innovation. His readiness to embrace new challenges and stay at the forefront of technological advancements positions him as a forward-thinking professional in the ever-evolving tech landscape.

Alan's journey exemplifies a proactive and continuous pursuit of excellence. His niche certifications, coupled with his eagerness to embrace innovation, make him an asset in the technology sector. Alan's commitment to staying ahead of the curve ensures his professional growth and his ability to contribute meaningfully to technological advancements.
