## **Summary**

- Over 15 years of professional experience as an external auditor in professional chartered accountancy practices in Singapore as well as an Accountant in the IT industry.
- 
- Over 10 years of experience tutoring students in English, Mathematics and Science from Primary 1 to Primary 6.
- Graduated from Edith Cowan University within the Dean's List and was awarded a Certificate of Merit for achieving High Distinctions for Core I & II of the CPA Program.
- Awarded Competent with Distinction for the following units in the DACE programme
  - ☐ -Develop Curriculum and Instruction for Adult Learning Programme
  - ☐ -Develop and Review Competency-based Assessment
  - ☐ and Competent with Merit for Develop Practice Through Reflection

## **Achievements**

- Conducted 360° audit checks that identified material errors that escaped the detection of the client thereby adding value to the client pre-audit vs post-audit to improve their processes and allowing the company to work more efficiently.
- Students showed a sustained improvement in their grades in their mid-year and final examinations.
