### **Ken Tan Yeo Hua**

President

National Taxi Association (NTA)

*Nominated by the National Taxi Association*

A sincere, reliable leader with a jovial personality, Ken Tan Yeo Hua has shown great dedication to the association and genuine care for his driver members, especially during difficult times. He ensures that they have access to available company schemes and shares vital information.

As a member of the NTUC Membership Committee and Vice-Chairman of the National Taxi Association (NTA) Membership Sub-Committee, Brother Ken plays a pivotal role in membership growth, consistently contributing ideas to enhance union member benefits. He strives to be the first point of support for members seeking advice on workplace matters, often assisting with hardship grant applications. His efforts have strengthened the bond between the union and its members.

A strong advocate for upskilling and training, he has encouraged many members in his branch to undergo basic digital training. He can often be seen engaging with fellow drivers, always taking extra time to assist them on such matters. As a representative of the NTA in the NTUC Land Connectivity Cluster, he frequently shares his experiences during meetings.
