COMRADE OF LABOUR

Mohamad Yusof Tisari

Executive Committee Member
Chemical Industries Employees' Union (CIEU)

Nominated by the Chemical Industries Employees' Union

Mohamad Yusof Tisari is a passionate union leader and a steadfast champion for workers. His unwavering dedication enables him to connect with and understand the concerns of those he represents. During wage and Collective Agreement negotiations, Brother Yusof actively seeks to understand industry practices, such as Emergency Response Team practices, allowances, employee benefits, and market benchmarks for annual increment and variable bonus quantum. This knowledge proved invaluable during union-management negotiations, strengthening the Chemical Industries Employees' Union's (CIEU) proposals.

He is also an enthusiastic participant in all CIEU-organised activities, taking the lead in encouraging members to join and enjoy various games. For example, during the Branch Officials Appreciation & Family Day 2024, he served as team leader for the scavenger hunt and station master for the Bingo games. His enthusiasm fosters camaraderie among branch officials and members.

A strong advocate for workers' upskilling and reskilling, Brother Yusof encourages fellow branch leaders to take advantage of available training and development opportunities. He leads by example, continually expanding his knowledge of industrial relations. He completed his Diploma in Employment Development in 2019 and recently attended a course on grievance handling, discipline, and dispute management, enhancing his ability to advocate for workers' needs. Under his leadership, the company established a Company Training Committee (CTC) with the union.
