

MODEL WORKER

Mee Lian

Senior Logistics Executive

MMI Systems Pte Ltd

Nominated by the United Workers of Electronics & Electrical Industries.

Mee Lian plays a crucial role in bolstering her company's workforce capabilities through her steadfast advocacy for employee development. Through active engagement with MMI Systems' management and HR, she lobbied and negotiated for better training opportunities. As a result, she secured resources and programmes to enhance workforce skills and capabilities, especially in project management.

Her commitment to lifelong learning and professional development has fostered a culture of continuous improvement within the organisation. Sister Mee Lian promoted initiatives like workshops, skill-building sessions and educational partnerships that empower workers to adapt to evolving industry demands, ultimately elevating the collective capabilities of the entire workforce. In doing so, she strengthens individual members and enhances overall workforce resilience and competitiveness in a rapidly changing economic landscape.
