COMRADE OF LABOUR

Lathika K Lakshmanan

Vice President

Banking and Financial Services Union (BFSU)

Nominated by the Banking and Financial Services Union

Lathika K Lakshmanan has been an Executive Council Member for the last 11 years and is an active member of the NTUC Women's Committee. She takes the lead in negotiating Collective Agreements with her bank branch and has been instrumental in successfully concluding multiple agreements. She also makes a concerted effort to explain the background and rationale of these agreements to newly joined Branch Committee members. Before proposing the service increment to the bank, she engaged in discussions with the Branch Committee to gather input.

A firm believer in progressive workplace practices, Sister Lathika proactively arranges for NTUC colleagues to share insights with senior management on the Company Training Committee. She is also an advocate for training and reskilling, emphasising continuous skill upgrading. By attending courses herself, she ensures that members remain competitive and well-prepared for future opportunities.
