## ANNEX A

### What is PayNow?

PayNow is a new peer-to-peer funds transfer service available to customers of seven participating banks in Singapore –

1. **Citibank Singapore Limited**
2. **DBS Bank/POSB**
3. **HSBC**
4. **Maybank**
5. **OCBC Bank**
6. **Standard Chartered Bank**
7. **United Overseas Bank.**

PayNow offers an enhanced funds transfer experience that enables customers of these seven participating banks to send and receive Singapore Dollar funds from one bank to another in Singapore through FAST<sup>1</sup> using just their mobile number or Singapore NRIC/FIN, almost instantly. The sender no longer needs to know the recipient's bank and account number when transferring money via PayNow.

PayNow is a secure funds transfer service. It adopts the same high security standards established by the banking industry in Singapore for funds transfer including FAST.

### How to register with PayNow to receive NTWU SBA award monies?

- A. To register for PayNow:** you should use the participating bank's existing internet banking platform or mobile banking app.
- B. To receive award monies using PayNow:** you should link your child's **Singapore NRIC** to his or her bank account<sup>2</sup>. This is a one-time registration step.
  - a. Log in to his or her bank's existing internet banking platform or mobile banking app.
  - b. At the PayNow registration screen, link your child's **Singapore NRIC** to his or her bank account number. An SMS OTP verification process may be required.
  - c. Finally, enter a name that will be used to identify your child.

Once this is done, you have completed the set up to receive the award monies.

To find out more about PayNow, please visit the Association of Banks in Singapore's website at [www.abs.org.sg/PayNow](http://www.abs.org.sg/PayNow).

---

<sup>1</sup> FAST (Fast And Secure Transfers) was launched in March 2014 – an electronic funds transfer service that enables customers of 19 participating banks to transfer Singapore Dollar funds from one bank to another almost instantly. The customer enters the recipient's bank account number and the amount, and the funds are credited.

<sup>2</sup> For the existing PayNow users who have earlier linked your mobile number to your bank account, you need not delink your mobile number, but just need to follow the steps to also link your Singapore NRIC to your bank account.
