

Making a Difference, Touching Lives

EXECUTIVE SUMMARY 2023

VISION

To be a trusted and caring Labour Movement that makes a difference and touches lives.

MISSION

To be a Caring Labour Movement that helps improve the lives of our lower-income members and their families; supports needy children and youths in their pursuit of excellence; and provides assistance to the elderly in a meaningful way.

Because U Care To Make a Difference, You have helped close to 10,000 members and their families in 2023

NTUC-U Care Fund was started in 2009 to help NTUC union members affected by the economic downturn then. More than 10 years on, we remain committed to helping our members through various challenges brought about by retrenchments and rising costs of living today.

To ensure that we continue to support our lower-income members, we rolled out various assistance programmes to help them tide through difficult times and alleviate the rising costs of daily essentials.

With the support of our **donors and like-minded partners**, we will continue to help members and their families emerge stronger and thrive in the face of adversity.
