

## PLAQUE OF COMMENDATION

### Hitachi Elevator Asia Pte Ltd

*Nominated by the Advanced Manufacturing Employees' Union*

Hitachi Elevator Asia works closely with the Advanced Manufacturing Employees' Union (AMEU) and the Labour Movement. The collaboration in the past few years has resulted in formulating and implementing the Lift and Escalator Progressive Wage Model.

Hitachi Elevator Asia has in place progressive workplace practices to promote workplace safety and enhance the welfare of older workers.

As an enlightened company, Hitachi Elevator Asia has also agreed with AMEU to extend the scope of representation to cover more PMEs in the latest collective agreement.

Understanding the importance of training and transformation, Hitachi Elevator Asia formed a Company Training Committee in 2021 with AMEU to further workers' training. The company has also harnessed technology to allow lift technicians to update reports on the go via tablets.
