PARTNER OF LABOUR MOVEMENT

Subbaiya Ayyappan

Assistant Operations Manager
Denzai Huationg Resources Pte Ltd

Nominated by the Migrant Workers' Centre.

Subbaiya Ayyappan joined the Migrant Workers' Centre (MWC) as an ambassador in 2013. Back then, he found that MWC had guided him on how to be a good worker, teaching him how to interact with others.

This motivated him to share his experiences and learnings with new migrant workers on topics such as the Do's and Don'ts in Singapore and the importance of workplace safety.

Even though there are many ways for him to spend his days off, Brother Ayyappan gladly chooses to spend his time volunteering with MWC.

His active participation and involvement have always been consistent through the years. He actively participated in a Singapore Police Force (SPF) walkabout in 2022, where he was able to guide his fellow countrymen and raise awareness on anti-scam initiatives.

Beyond his own countrymen from India, he has also participated in walkabouts with SPF at City Hall, where he got to spread anti-scam awareness among Myanmar migrant workers.

Overall, Brother Ayyappan is happy as he gets to integrate with others and learn more about their experiences.

He has also dedicated time and effort to attend focus group discussions with MWC.

Brother Ayyappan is always open and willing to share his honest views, striving to be a strong voice for migrant workers here in Singapore.

He has shared his life experiences in Singapore through local interviews and has been featured in The Straits Times, Tamil news, and various social media platforms.
