Because U Care, You have helped close to 10,000 members and their families in 2024

NTUC-U Care Fund was started in 2009 to help NTUC union members affected by the economic downturn. We remain committed to helping and uplifting our union members and their families through times of need and hardship.

This year, we introduced the NTUC Care Fund (Youth Enable) and NTUC Care Fund (Education Awards). The programmes have impacted the lives of close of 1,200 tertiary students.

The NTUC-U Care Fund aims to continue building a community of care and resilience by uplifting the lives of our members and their families through the support of our donors and partners who remained committed to care.

Join us in our CARE movement today!

With the additional support, my daughter's school transport fees are covered. I can spend more on my children or on groceries for them.

Mr Leng Say Boon
Recipient of NTUC Care Fund (e-Vouchers) and NTUC Care Fund (Special Assistance)

The initiative is good because it can help my mum financially. It is also a great motivator and quite encouraging to receive this award!
